## ***MORE INFORMATION ON OUR UNIT OF STUDY THIS MONTH***

March brings with it our annual unit on "**Nutrition.**" We will be discussing the four basic food groups, with a concentration on a different food group each week. Our snacks will consist of foods from the food group being discussed that week. We ask that parents volunteer to contribute the snacks on our special "food group snack days" (listed on the schedule below).. **\*\*It would be appreciated if each family would volunteer to provide at least one snack. Please contact a member of the staff to volunteer.\*\*** The children have always enjoyed being able to share a snack with their friends and they love having the opportunity to try "different" foods.

Thank you!
