Spring is Here!!

- As we begin to experience warmer weather, we are looking forward to spending more time outdoors with the children; we ask parents to dress children appropriately. The children should wear closed-toed, rubber-soled shoes.
- With the spring flowers beginning to poke through the soil in front of the school, we remind parents and children to use the walkway instead of taking the "shortcut" through the bushes.

Special Notes of Thanks

- We would like to thank those Brookside families who helped provide snacks for our March "Nutrition Unit" with wonderful **"food group snacks."** We depend on the help of all our families to make our school activities a success, Your children tried foods at school that they might NEVER eat at home (and they surprised themselves by liking some of these "different" items). Ask them which was their favorite snack!
