BROOKSIDE BULLETIN

September 2026

Dear Parents,

We are excited to start the 2026 – 2027 school year (our 53rd year !!) with a combination of new and returning students. In addition to our traditional set of events (holiday parties) and field trips, we are looking forward to a regular schedule of extras including:

- *Yoga sessions on Tuesdays*
- *Art on Wednesdays*
- *Music on Thursdays*

Parents with mandatory clearances will once again be permitted to sign up to be snack and lunch helpers, drivers for field trips and other help positions as they arise. These opportunities will be announced in future newsletters and on the bulletin boards.

Looking forward to a great year!
Miss Curley

Brookside Montessori has an active website. Along with general information about the school, electronic copies of our handbook, monthly **Brookside Bulletin** newsletters, the School calendar and copies of school forms are available for easy access to view or print. Visit us online at:

www.brooksidemontessori.com.

Please assist us in reducing expense (and waste) associated with printing by using the website for your information needs. Check the bulletin board (located in the cubby area) for a list of updates to the website. If you have any questions about the website or have difficulty accessing any information, please speak to Miss Curley.

TUITION

- ❖ Tuition payments are due the **first of each month**.
- ❖ There is a **\$10.00 late fee** for checks received **after the 5th of the month**.
- ❖ **The second tuition payment for this year is due before September 8th.**
- ❖ First semester payment and yearly tuitions are also due **by September 8th**.
- ❖ Tuition payments may be handed to the staff member or placed in the tuition drop- box at pick-up.

SCHOOL INFORMATION AND FORMS

Please return all requested school forms and student information to the school by **Friday, September 11th** in order that school records for the year can be fully established/updated. We will be assembling the student directory/class list and we need this information so that your child can be included.

SCHOOL HOURS

School will open at **8:20 A.M.** At that time, a staff member will meet your child at the door to escort them into the school and to their cubby. **Parents are not permitted inside the school building at dropoff.**

In -school activities will start promptly at **9:00am**. If you arrive at the school after 9:00am, you will be required to wait at the door until a member of the staff is available to clear your child for entrance into the school.

All A.M. children **MUST be picked up between 11:15 and 11:25AM. You should plan to be out the door with your child and their belongings no later than 11:30am. Teachers will need to be preparing for lunch, so your compliance with this time is MANDATORY.**

All full-day children and Kindergarteners **MUST be picked up between 2:30 and 2:55PM. Parents should plan to enter the school at pick-up to meet their child and gather their belongings. You should plan to be out the door with your child and their belongings no later than 3:00PM. All of our teachers have responsibilities after school, including picking up their own children, so your compliance with this time is MANDATORY.**

As stated in our handbook, there is a **late fee** for late pick-ups. The late fee is **\$10.00, with an additional \$1.00 per minute after the first 15 minutes. Please set your watches to our school clocks. We will begin implementing the late fee policy on Monday, September 14, 2026.** Closing time is 11:30am for the AM Program, and 3:00pm for the full-day program. If you arrive/depart after the stated mandatory times, **please be aware that YOU ARE LATE and will be assessed the late fee!** It is important that **everyone adhere to the pick-up schedule** as the teachers are very busy with lunch prep and assisting the children with lunch and have other obligations and schedules to keep after school hours.

Thank you for your attention to this matter.

ALLERGY INFORMATION

We typically have students with nut allergies. If you send in a special snack for your child to share with their classmates in honor of their birthday, etc., please do not send anything with tree nuts or peanut products in it. Children who pack their lunches to eat at school may still bring nut products in their lunch box (we manage this with separate lunch tables). Thank you for your attention to this very important matter.

PARKING LOT / TRAFFIC FLOW

*****Note** Adherence to guidelines for traffic on our school property continues to be of utmost importance. Please be reminded, there are many precious little ones walking through our parking lot each day.***

For the safety of all our Brookside families, **please follow the arrows on the driveway for entering and exiting the parking lot. PLEASE MAINTAIN A SLOW SPEED.**

Please use the parking spaces, rather than pulling up in front of the building, as this sometimes causes traffic congestion.

A quick "drop off" and "pick up" of your child would be greatly appreciated, due to the limited number of parking spaces.

PA State Law requires a designated handicapped parking space in our lot. The space is clearly marked and should only be used as necessary by those with official handicapped stickers/license plates. As a courtesy to all, please comply.

MATERIALS FEE (including Field Trips and Special Events) and A request for your assistance!

A materials fee will be collected once again this year to allow us to provide:

- Field Trips
- Parties and events including our Winter Program and End of Year picnic
- Individual student materials, including yoga mats

Additionally, your donations of hand sanitizing wipes (allergen-free and antibacterial), Clorox or Lysol wipes, Lysol or Microban disinfecting/sanitizing spray AND TISSUES are gladly accepted and greatly appreciated.

SNACKS

In addition to our requirement to provide a nut-free snack if you are contributing snack items to the school, please make sure any snack items you bring are ready for serving and that you provide any necessary utensils. In the interest of avoiding mess, we request NO CAKES OR CUPCAKES!

LUNCHES

- Because of the large number of “lunch bunchers” that we have at Brookside, it is not possible to refrigerate the students’ lunches. If you send something that absolutely must be kept cold, please use an ice pack.
 - Lunch items that require heating should be heated at home and placed in an appropriate hot/cold container to retain heat. We will not be heating lunches at school.
 - Please remember to send **a drink, a napkin, and necessary eating utensils and condiments** in your child’s lunch every day.
 - Parent volunteers/helpers will be welcomed starting the week of September 17th. See the bulletin board to sign up to be a helper on Tuesdays, Wednesdays or Thursdays.
-

CONFERENCES

Since we have time constraints at dismissal, concerns about your child cannot be addressed at that time. We encourage you to make an appointment with one of the teachers so that we can give you the proper attention and time to discuss any concerns. E-mail will be the best method of contact. **No conferences will be scheduled prior to the end of October** in order to allow adequate time for the teachers and the students to acclimate to the new routine and environment. The month of September will be devoted to familiarizing the children with the Montessori materials and classroom rules.

SHOES

- In order to provide for a more sanitary learning environment students are asked to remove their “outdoor” footwear before entering the learning area.
 - **Children are required to keep a pair of “indoor shoes” with rubber soles in their cubbies to change into when they arrive at school.**
 - Most of our outdoor play area at Brookside is covered in **rubber mulch**. For this reason and for the comfort of your child, please dress your child in **sneakers** or **closed-toe rubber soled shoes**, no sandals or clogs, please.
-

LABELS

Please make sure that all outerwear, sweaters/sweatshirts, indoor and outdoor shoes, and lunchboxes are clearly **labeled** with your child’s name.

BACKPACKS

Please send a **small*** backpack or bag to school each day with a change of clothes and shoes for your child **and a full water bottle**. The bags will return home each day so that you can check them to ensure your child has adequate supplies. *We emphasize a small bag because it will be kept in your child’s cubbie and they fill up quickly with outerwear.

We're Going Back To School

NEWSLETTERS

Our school newsletter, the **Brookside Bulletin**, featuring important news and announcements about the school, will be published monthly. Newsletters will be posted for access on our website: www.brooksidemontessori.com. Parents will also automatically receive newsletters via e-mail, provided that an e-mail address has been given to the staff. Availability of a new monthly newsletter will be announced on the bulletin board. Please see a member of the staff if your e-mail address needs to be added to our distribution list.

STAY CONNECTED!

Previous families at the school created a private Facebook group which is used regularly to share information regarding activities at the school. Some of the Brookside staff are also members of the group and Miss Curley posts in the group regarding school closings and delays (in addition to the other specified locations). If you are a Facebook user, please take a moment to request access to the group, **Brookside Parents**, and join the conversation.

SPECIAL CLASSES and FIELD TRIPS

As mentioned at the start of this newsletter, we have planned a full schedule of events and extras for the 2026-2027 school year. Many events will be shown on the school calendar and announced in our newsletter. Special classes are planned regularly/weekly throughout the year, starting the week of September 21st, as follows:

- Tuesdays – Yoga (please dress your children appropriately for exercise)
 - Wednesdays – Art
 - Thursdays – Music
-
-

SEPTEMBER NEWS

UNIT OF STUDY (Theme(s) of the Month)

The **Unit of Study** for the month of **September** is the **"Family."** We will be working on learning the names of family members, addresses and phone numbers. We encourage you to practice these at home with your children.

We will also be discussing **Colors** and **Shapes** during the month of September.
